

Watch Out, Addition

Building Fluency: adding within 20

Materials: game board, pair of dice, different color game markers for each player,
0 – 9 spinner for extension game

Number of Players: 2 – 3

Directions:

1. Player 1 rolls a pair of dice and adds the numbers together, finding the sum. He/she says the equation. He/she covers the sum with a colored marker.
2. Player 2 rolls a pair of dice and adds the numbers together, finding the sum. He/she says the equation. He/she covers the sum with a colored marker.
3. The winner is the first player to get six markers in a row.

Variation/Extension. There is an additional game board with larger numbers. Players can use a 0 – 9 spinner and spin two times to get the numbers to use as addends.

9	7	12	9	4	6
8	2	5	11	3	12
4	7	8	3	11	8
6	10	5	10	6	5
7	4	9	2	7	10
7	2	10	9	12	11
